Monterey / Carmel Tour

RLM Executive's tour packages have been created with a considerable amount of thought. Each package focuses on both exclusivity and education, colorful and exotic or personal and private. If that doesn't meet your expectations, we can work with you to design a tour specific to your taste.

Enjoy the drive down the scenic Pacific Coast Highway Route 1 to Santa Cruz and on to Monterey Bay and Carmel-by-the-Sea. Traveling through the rich farm land of the Salinas Valley and the awesome beauty of the Pacific Coast you will pass by the famous Pebble Beach Golf Course and the 17-Mile drive. The Monterey area features the Cannery Row (of John Steinbeck fame) and the world famous Monterey Bay Aquarium. Before returning to San Francisco, enjoy shopping and the restaurant district of Carmel-by-the-Sea. Big Sur (26.3 miles) and Hearst Castle (San Simeon, 94.2 miles) are just a bit further down the coast. If you choose to visit Hearst Castle we will be more than happy to purchase tickets in advance. *Please be aware that extra time is needed to arrange for this part of the tour because of distance and availability.*

Based on a 9 hour tour, these prices include gratuity, tax, tolls (17-mile drive fee) and fuel surcharge. Not included are the fees for the Hearst Castle Tours.
